All utility easements and rights-of-way shall inure to the benefit of all utility companies for purposes of installing, maintaining, or moving any utility lines or services and shall inure to the benefit of the Developer, all Owners in the Development and the Owners Association as a cross easement for utility line or service maintenance.

13. **Common Areas.**

(a) The Developer and its successors, assigns, and grantees, the Owners of Lots in the Development and the Owners Association shall have the right and easement of enjoyment in and to all of the Common Areas, but only for the intended use or uses thereof. Such right and easement in favor of the Owners shall be appurtenant to, and shall automatically pass with, the title to each Lot. All such rights and easements shall be subject to the rights (including ownership) of any governmental authority or any utility therein or thereto.

(b) The Developer covenants and agrees to convey all of its right, title, and interest in the Common Areas shown on the Plat (except any part thereof that is within any Lot or outside of the Development and except any part of a Common Area shown on a recorded plat that has been subsequently replatted by the Developer for other use for the purpose of relocating streets, street rights-of-way, utilities, the Lake, recreational areas, recreational facilities, or adjusting lot sizes and locations) to the Owners Association, without any cost to the Owners Association, after the Developer has recorded the Certificate of Substantial Completion. The Owners Association shall, at all times, be responsible for the proper maintenance of all Common Areas, except any part thereof that is within any Lot and any part that has not been landscaped or otherwise improved by the Developer or the Owners Association. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the committee members, in their reasonable discretion, determine to be appropriate to establish and maintain the quality, character, and aesthetics of the Development, including but not limited to the consistency and harmony of the proposed work and improvements with the Developer's overall plans for the Development and existing improvements in and the general appearance of the Development, the potential impact on property values within the Development and compliance with the specific requirements of this Declaration. Any action of the Architectural Committee that is required or permitted to be taken at a meeting of the Architectural Committee may be taken by unanimous written consent of all members of the Architectural Committee, which written consent may consist of one or more counterparts setting forth the action to be taken. The Developer and the Architectural Committee shall, in their absolute and unrestricted discretion, have the power and authority to waive application of any of the restrictions as to any Lot, or as to any residence or Exterior Structure on any Lot and any such waiver shall be binding on all Owners and the Owners Association.

16. **Covenants Running with Land; Enforcement.**

(i) All provisions of this Declaration shall be deemed to be covenants running with the land and into whosoever hands any of the property in or adjacent to the Development shall come, for the benefit of all the land in the Development and all land adjacent to the Development declared by the Developer to be subject to this Declaration as provided herein. The Developer, and its successors, assigns, and grantees, and all parties claiming by, through, or under them, shall conform to and observe such agreements, restrictions, and reservations; provided, however, that no person shall be obligated to enforce any such agreements, restrictions and reservations. No agreement, restriction, or reservation herein set forth shall be personally binding upon any Owner except with respect to breaches thereof committed during such Owner's seizin of title to such Lots; provided, however, that the immediate grantee from the builder of the residence on a Lot shall be personally responsible for breaches committed during such builder's ownership of such Lot.

Nora Dietzel, Recorder of Deeds

the Owners Association, shall have the right (but not the obligation) to sue for and obtain an injunction prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, covenants, restrictions, and reservations herein set forth, in addition to any action at law for damages. In the event the Developer, Owners Association, or an Owner seeks to enforce these restrictions by legal proceedings and prevails in such legal proceedings, then the Developer, Owners Association, or Owner, in addition to other rights and remedies to which it or they may be entitled, shall further recover their reasonable costs, expenses, and attorneys' fees in such proceedings. The failure to enforce any of the agreements, restrictions, or reservations herein set forth at the time of its violation shall in no event be deemed to be a waiver of the right to do so thereafter.

Unofficial Document

17. **Owners Association Membership, Voting, and Management.** Membership in the Owners Association shall be limited to the Owners of Lots within the Development, and every such owner shall automatically be and become a member upon acquisition of fee title to a lot in such adjacent subdivision and an owner hereunder. The Owners Association shall have only one class of membership. Each member shall have one vote for each Lot for which he or she is the Owner and upon which he or she shall not be delinquent in the payment of any assessment; provided, however, that when more than one person is an Owner of any particular Lot, all such persons shall be members and the vote for such Lot shall be exercised as they, among themselves, shall determine, but in no event shall the vote be divided nor shall more than one vote be cast with respect to such Lot.

18. **Powers and Duties of the Owners Association.**

(i) In addition to the powers granted by other portions of this Declaration, by any deeds, declarations, or plats covering the property in the Development or adjacent property outside the Development that is subdivided by Developer and made subject to this Declaration or by law, the Owners Association shall have the power and authority to do and perform all such acts as may be deemed necessary or appropriate by its Board of Directors to carry out and effectuate the purposes of this Declaration, including, without limitation:

(a) To enforce, in its own name, any and all building, use, or other restrictions, obligations, agreements, or reservations which have been or hereafter may be imposed upon any of the Lots; provided, however, that this right of enforcement shall not serve to prevent changes, releases, waivers, or modifications of restrictions, obligations, agreements, or reservations from being made by the parties having the right to make such changes, releases, waivers, or modifications under the terms of the deeds, declarations, or plats in which such restrictions, obligations, agreements, and reservations are set forth. The expense and cost of any such enforcement proceedings by the Owners Association may be paid out of the general fund of the Owners Association, as herein provided. Nothing herein contained shall be deemed or construed to prevent the Developer or any Owner from enforcing any building, use, or other restrictions in its or his or her own name.

(b) To acquire and own title to or interests in, and exercise control over, the Common Areas, subject to the rights (including ownership) of any governmental authority, utility, or any other person or entity therein or thereto.

(c) To maintain public liability, worker's compensation, fidelity, fire, and other casualty, director and officer liability, indemnification, and other insurance with respect to the activities of the Owners Association and the property within the Development.

(d) To levy and collect the assessments which are provided for in this Declaration and to maintain accounts and accounting records with respect thereto.

(e) To enter into and perform agreements from time to time with the Developer and other parties regarding the performance of services and matters benefiting both the Developer and the Owners Association and its members and the sharing of the expenses associated therewith.

(f) To enter into and perform agreements with the Developer, other developers, other home associations, and other parties relating to the joint use, operation, and maintenance of any recreational facilities and other similar common areas, whether in or outside the Development and the sharing of expenses related thereto.

(g) To engage the services of a management company or other person or entity to carry out and perform all or any part of the functions and powers of the Owners Association, including, without limitation, keeping of books and records, operation and maintenance of Common Areas and maintenance of lawns and landscaping, collecting and

accounting for assessments and paying the expenses of the Owners Association, including management fees.

- (h) To engage the services of a security guard or security patrol service.
- (i) To provide for the collection and disposal of rubbish and garbage; to pick up and remove loose material, trash, and rubbish of all kinds in the Development; and to do any other things necessary or desirable in the judgment of the Board of Directors of the Owners Association to keep any property in the Development neat in appearance and in good order.
- (j) To exercise any architectural and aesthetic control and authority given and assigned to it in this Declaration or in any other deed, declaration, or plat relating to all or any part of the Development.
- (k) To make, amend, and revoke reasonable rules, regulations, restrictions, and guidelines (including, without limitation, regarding the use of Common Areas) and to provide means to enforce such rules, regulations, and guidelines for the purpose of adequately and properly carrying out the provisions and purposes of this Declaration.
- (l) To enter upon any Lot (other than a Lot owned by the Developer) and to perform thereon any maintenance or repairs necessary to cause such Lot and the improvements thereon to be brought into the condition required by this Declaration, provided, notice of the intention to enter such Lot and perform such maintenance or repairs is first given to the Owner of such Lot, by certified mail, postage prepaid, sent to the address of such Owner according to the records of the Assessor of Boone County, Missouri at least 30 days prior to the date of such entry. The Owners Association is hereby granted the right to go on each of the Lots for such purposes.
- (m) To maintain, insure, and stock the Lake, in the sole discretion of the Owners Association, and to make and enforce rules pertaining to the use of the Lake by Owners, their guests, and the general public.
- (n) To exercise such other powers as may be set forth in the Articles of Incorporation or Bylaws of the Owners Association.
- (ii) Except as otherwise provided in any agreement with the Developer, the Owners Association shall, at all times, pay and be responsible for the proper maintenance of, and shall maintain, the Common Areas, subject to any control there over maintained by any governmental authority, utility, or other person or entity.
- (iii) Notwithstanding anything herein contained, the Developer shall not be obligated to form the Owners Association, nor shall the Owners Association be empowered to exercise any of the authority provided for herein, until after the Certificate of Substantial Completion has been recorded unless the Developer determines, in Developer's discretion, to form the Owners Association at an earlier time.

19. Method of Providing General Funds/Lot Maintenance Assessment.

- (i) For the purpose of providing a general fund to enable the Owners Association to exercise the powers, maintain the improvements, and render the services provided for herein, all Lots in the Development, other than Lots then owned by the Developer, shall be subject to an initiation fee and an annual assessment to be paid to the Owners Association by the respective Owners thereof as provided in this Section 19. The amount of the initiation fee shall be Four Hundred Dollars (\$400), which fee shall be payable upon the first conveyance of a Lot by the Developer to an Owner (except for conveyance to a builder prior to the time a residence is constructed on the Lot), and each time said Lot is subsequently conveyed to a new Owner. The amount of the annual assessment per Lot shall be fixed periodically by the Owners Association, and until further action of the Owners Association, shall be Four Hundred Dollars (\$400) per year, payable on January 1 of each calendar year, in advance, unless a different time is set by the Board of Directors under subparagraph (iii) below. In the calendar year that a Lot is conveyed to an Owner by the Developer or by a builder to an Owner, the initial Owner shall pay a prorated annual assessment for the remainder of the calendar year in which such conveyance occurs. The initiation fee and any prorated assessment shall be payable at the closing of the conveyance by the Developer or builder to such Owner. Until the Owners Association is empowered to act, all initiation fees and annual assessments shall be payable to the Developer when due. The Developer shall cause said initiation fees and annual assessments to be placed in escrow and to be used for purposes related to the Development (including, but not limited to, the employment of a management company to manage the funds and use the funds to perform duties which relate to the maintenance of the Common Areas, collection of assessments and operation of the

Development), at the time the Owners Association is organized by the Developer and upon Substantial Completion of the Development the Developer shall cause any funds remaining in escrow to be transferred to the Owners Association.

(ii) The rate of the annual assessment upon each Lot in the Development may be increased or decreased (a) annually by the Board of Directors to an amount not to exceed twenty-five percent (25%) of the rate of the annual assessment then in effect, or (b) at any time or times at a meeting of the members specially called for that purpose and of which advance notice is given and if at least fifty-one percent (51%) of the members present at such meeting and entitled to vote authorize such increase or decrease by an affirmative vote therefor; provided, however, that the rate of assessment may not be less than an amount that is necessary to permit the Owners Association to perform its duties or in exercising its authority hereunder.

(iii) The assessment provided for herein shall be due and payable to the Owners Association on such dates as shall be determined by the Board of Directors from time to time, and may be made payable in installments at the discretion and in such manner as the Board of Directors shall determine. No Owner of any Lot shall be entitled to receive any services to be provided by and through the Owners Association or to use any Common Areas other than streets until such time as the first assessment has been paid.

(iv) In the event the Developer shall designate certain common areas as "Shared Common Areas" for the use and benefit of lots that are zoned residential in subdivisions developed by the Developer that are located within or adjacent to the Development, and declare that the lots therein are subject to this Declaration, then the assessment provided for in said Declaration by the Developer shall be paid into the general fund for the maintenance and rendering of services as provided herein. The rate of assessment on each Lot shall be increased or decreased as provided in this Declaration and the assessments will be due and payable as provided hereinabove in paragraph (i) of this Section.

(v) Should the Owners Association enter a Lot and perform maintenance and repairs pursuant to the provisions of subsection 18 (i) (1) above, the Owners Association shall levy a maintenance assessment against the Lot and the Owner thereof for all cost and expense incurred by the Owners Association in entering such Lot and performing such maintenance and repairs.

20. Lien on Real Estate.

(i) Each Owner (other than the Developer) shall be personally liable for payment of all initiation fees and assessments becoming due and payable during the time such Owner holds fee title to a Lot, and the fees and assessments shall become a lien on such Lot as soon as they are due and payable. In the event of the failure of any Owner to pay any fee or assessment within sixty (60) days of the due date thereof, then such fee or assessment shall bear interest at the rate of nine percent (9%) per annum from the due date until paid. Should an attorney be engaged to collect any fee or assessment hereunder, all costs of collecting such fee or assessment, including court costs and reasonable attorney's fees, shall, to the extent permitted by applicable law, be added to the amount of the fee and assessment and the lien on the Lot.

(ii) All liens on any Lot for fees or assessments provided for herein shall be inferior and subordinate to the lien of any valid purchase money, first mortgage, or first deed of trust now existing or which may hereafter be placed upon such Lot.

(iii) Nonpayment of any fee or assessment provided for herein within sixty (60) days from the due date thereof shall cause such fee or assessment to become delinquent. Payment of both principal and interest of a delinquent fee or assessment may be enforced as a deed of trust lien on such Lot or collected from such Owner through proceedings in any court in Boone County, Missouri, having jurisdiction of suits for the enforcement of such liens, or by any other appropriate proceedings allowed by law. In any such proceedings, the Developer or the Owners Association shall be entitled to recover from the Owner who has failed to pay such fee or assessment all court costs and attorneys' fees incurred in prosecuting such action. The Developer or the Owners Association may file certificates of nonpayment of fees or assessments in the office of the Recorder of Deeds of Boone County, Missouri, whenever any fee or assessment is delinquent. For each certificate so filed, the Developer or the Owners Association shall be entitled to collect from the Owner of the Lot described therein a fee established by the Developer or the Owners Association from time to time, which initially shall be One Hundred Dollars (\$100), which fee shall be added to the amount of the delinquent fee or assessment and the lien on the Lot.

(iv) Such liens shall continue for a period of three (3) years from the date of delinquency and no longer, unless within such period suit shall have been instituted for collection

of the fee or assessment, in which case the lien shall continue until payment in full or termination of the suit and sale of the property under execution of judgment, provided, however, expiration of such lien shall not extinguish the obligation of the Owner who has failed to pay a fee or assessment from personal liability therefor, plus interest thereon, and Court costs and attorneys' fees incurred in any action to collect such unpaid fee or assessment.

Unofficial Document

(v) The Owners Association may cease to provide any or all of the services to be provided by or through the Owners Association with respect to any Lot during any period that the Owner is delinquent in the payment of any fee or assessment due under this Declaration, and no such cessation of services shall result in a reduction of any amount due from the Owner before, during, or after such cessation. No Owner shall be entitled to use any Common Areas (other than streets) during such period of delinquency.

21. **Special Assessments.** In addition to the other assessments provided for herein, the Board of Directors shall levy from time to time special assessments against each and every Lot (other than any Lot then owned by the Developer) in an equal amount that is sufficient, when aggregated, to enable the Owners Association to perform its duties and to exercise its authority as specified herein that require any expenditures during any period in an amount in excess of the general funds of the Owners Association available therefor. In addition, special assessments against each and every Lot (other than any Lot then owned by the Developer) to pay the costs of constructing, maintaining, altering, or repairing any Common Area or improvement thereon may be levied (i) if fifty-one percent (51%) of the Owners (other than the Developer if it is then an Owner) present and entitled to vote at a meeting of the members specially called for that purpose and of which advance notice is given authorizing such special assessments by an affirmative vote therefor, and (ii) if the Developer, if then an Owner, approves such special assessments in writing. Special assessments shall be due and payable, shall be the personal obligation of the then-Owner of each Lot and shall become a lien on such Lot upon notice to such Owner of the assessment. Such lien shall be enforced and terminated in accordance with the provisions of Section 20 above.

22. **Limitation on Expenditures.** The Owners Association shall at no time expend more money within any one year than the total amount of the assessments (including special assessments) for that particular year, plus any surplus and available reserves which it may have on hand from prior years; nor shall the Owners Association have the power to enter into any contract which binds the Owners Association to pay for any obligation out of the assessments for any future year, except for contracts for utilities, maintenance, or similar services or matters to be performed for or received by the Owners Association or its members in subsequent years.

23. **Common Areas.** The Developer covenants and agrees to convey title to or its interest in the Common Areas (except any part thereof that is within any Lot or outside the Development) to the Owners Association, without cost to the Owners Association, after the Developer has recorded the Certificate of Substantial Completion.

24. **Notices.**

(i) No less than fourteen (14) and no more than forty (40) days prior to any meeting of the Owners Association, it shall give written notice to all members of the place, time, and purpose of the regular or special meeting of the Owners Association.

(ii) The Owners Association shall designate from time to time, by notice to all Owners, the place where payment of assessments shall be made and the place or places where other business in connection with the Owners Association may be transacted and where the Owners Association may be contacted.

(iii) All notices required or permitted under this Declaration shall be deemed given if deposited in the United States Mail, postage prepaid, and addressed to the person entitled to such notice at the last address listed with the Owners Association for such person. Notice to one co-owner shall constitute notice to all co-owners.

25. **Extension of Development.** The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing Development and to the operation of the provisions of this Declaration such other adjacent (without reference to streets and rights-of-way) lands as it may now own or hereafter acquire by executing, acknowledging, and recording an appropriate written declaration or agreement subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain such deletions, additions, and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in good faith.

26. **Applicable Law.** The Owners Association shall, at all times, observe all applicable federal, state, county, city, or other laws, rules, regulations, and ordinances. If, at any time, any of the provisions of this Declaration shall be found to be in conflict with such law, rules, regulations, or ordinances, such provisions shall be of no force or effect to the extent of such conflict for so long as such conflict exists, but no other parts of this Declaration not in conflict therewith shall be affected thereby.

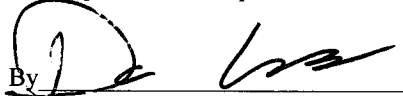

27. **Severability.** Invalidation of any of the provisions set forth herein, or any part hereof, by an order, judgment, or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions, or any part hereof, but they shall remain in full force and effect.

28. **Assignment of Developer's Rights.** The Developer shall have the right and authority from time to time, by appropriate agreement made expressly for that purpose and recorded in the office of the Recorder of Deeds of Boone County, Missouri, to assign, convey, transfer, and set over to any person or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties, and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties, and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer, and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities hereunder.

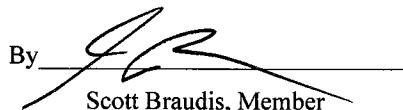

29. **Duration and Modification of Restrictions.** The provisions of this Declaration shall remain in full force and effect for a period of twenty (20) years from the date hereof, and shall automatically be continued thereafter for successive periods of ten (10) years each; provided, however, the provisions of this Declaration may be amended, modified, or supplemented, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by both (a) the Owners (excluding therein the Developer if it is then an Owner) of sixty-six and two-thirds percent (66 2/3%) of the Lots (excluding those owned by the Developer) within the Development as then constituted and (b) the Developer if it is then an Owner.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first written above.
